

landtax provides specialist tax advice to private clients, in particular landowners. The complexity of modern business and family life means that there is an increasing need for the specialist planning advice that landtax provides. We work in conjunction with our clients' other advisers to help protect and enhance the family wealth.

Why clients choose landtax...

'When we approached Tony, our family and taxation affairs were in chaos with unresolved Inheritance Tax, Capital Gains Tax and Income Tax compliance work going back many years. Tony and his team took on the formidable task of "sorting us out", and with the utmost speed, efficiency and professionalism and good humour solved all the immediate problems to put us in a position to plan for the future.'
